If you have to pay cash, only do so to an authorised court staff who will issue an official receipt.

Mpesa payment system has been rolled out. Check with respective court stations.

You can also pay your fine / bail through KCB Mtaani, the nearest KCB Branch or any other bank as advised by respective Court Station.

FURTHER

Traffic police officers can only arrest offenders and/or detain offending vehicles in serious offences such as causing death by dangerous driving, driving under the influence of alcohol and driving a vehicle without insurance. These cases will however be fast-tracked.

The NCAJ urges the public to help enforce these directions by reporting any violations to the Judiciary Ombudsman:
