

Hyundai KONA EV

Sleekly sculpted SUV style.

Sleeker and more refined, the new KONA Electric's uniquely confident design has been given an even more streamlined, athletic look – while keeping its SUV flair. The redesign is characterized by smooth, aerodynamic shapes and sculpted lines that flow harmoniously into the body color treatment of the wheel arch cladding.

Roomy, connected and versatile.

Discover an exceptional level of comfort with high quality materials throughout for a sensuous and refined feel. The fully digital 10.25" cluster displays essential driving information while the 8" touch screen provides easy access to car features, infotainment, navigation, and your favorite apps and music.

Smooth sailing.

The Hyundai shift-by-wire electronic transmission controls are conveniently located within the sleek centre console. Effortlessly switch between drive, neutral, reverse and park, as well as engage and disengage the handbrake, all at the merest touch of a button.

Standard charging.

When connected to a home wallbox or public AC charging station, it takes 6 hours 50 minutes to charge the long-range 64 kWh battery pack from 10-100% SOC using the 10.5 kW three phase on board charger (OBC) or 9 hours 15 minutes using the 7.2 kW single phase OBC.

SPECIFICATIONS

ENGINE	64.0 kWh Battery	
Engine Type	Permanent-magnet synchronous motor (PMSM)	
Max. Power (kW)	150	
Max. Torque (Nm)	395	
Front Suspension	McPherson strut type	
Rear Suspension	Multi-Link Type (2WD)	
Wheels	17" alloy	
Dimensions (LxWxH) (mm)	4 180 x 1 800 x 1 570	
CHARGING		
Fast charging time (10~80%)	50 kW	64 min
	100 kW	47 min
Standard charging time (10~100%)	7.2 kW	9h 15 min
	11 kW	6h 50 min
ICCB charging time (10~100%)	230V / 12A	28h
Warranty	5 years or 100,000 km (whichever comes first)	

EQUIPMENT

VERSION	64.0 kWh Battery
Radio with 8" touchscreen display, Bluetooth and Voice Recognition System	●
10,2" TFT LCD Supervision Cluster	●
Rear View Monitor with dynamic parking guidance and forward/reverse parking distance warning	●
Wireless phone charger	○
Leather seats	○
Power seat (driver and passenger)	○
LED Daytime Running Lights	●
Auto Light Control	●
Roof Rack	●
Button type shift by wire	●
Drive Model Select	●
Smart Key + Button Start	●
ABS + ESC + HAC + Cruise Control	●
Electronic parking brake (EPB) with autohold	●
Wallbox	●
