ATT: THE COUNTY COMMISSIONER

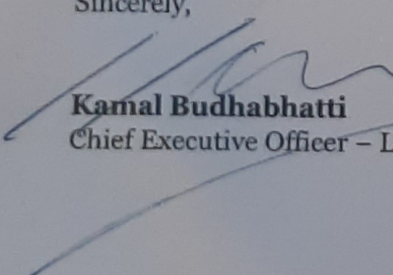

**REF: REQUEST FOR AN UPDATED LETTER ALLOWING OUR DRIVERS
TRANSPORT PERSONS PROVIDING ESSENTIAL SERVICES.**

Pursuant to Public Order (State Curfew) Order 2020 vide Legal Notice No. 36, H.E. President Uhuru Kenyatta provided an exception to individuals who needed to work in order to maintain continuity of operations from Licensed banks, financial institutions and payment service providers, Licensed telecommunications operators and service providers, Licensed broadcasters and media houses etc. On March 31, 2020, Mr. H. Kipkosgei Barmao, as he was then, provided us with a letter allowing us to continue with operations of transporting persons under the Essential Services bracket. *(Herein is an attached copy of the letter marked as ESL-1)*. Further, pursuant to changes within subsequent addresses by H.E. President Uhuru Kenyatta, we were issued with another letter dated November 23, 2020, to effect the transportation of persons providing essential services. *(Herein is an attached copy of the letter marked as ESL-2)*

On March 26, 2021 via Public Order No. 2 of 2021, H.E. President Uhuru Kenyatta under paragraph 13 (X), ordered that all passes that had been issued were vacated and gave a directive that Ministry of Interior & Coordination of National Government jointly with the Ministry of Health reviews the protocols for reissuance of curfew passes and exemptions. It is on this premise that we forthwith write to your office requesting that as a company offering ride hailing services, your good office provides us with an updated letter allowing Little Cab Drivers continue to facilitate the same to the listed persons providing essential service that has been given under Public Order (State Curfew) Order 2021 vide Legal Notice No. 37. We have received requests from the said clients who fall under the category of Essential Service Provider *(Herein are attached copies of the said letters marked as ESL-3)*.

We salute the efforts of the National Police Service and the National Emergency Committee during these trying times.

Sincerely,

Kamal Budhabhatti
