All County Directors of Education

**RE: TRAVEL OF KCSE CANDIDATES IN AND OUT OF NAIROBI, MACHAKOS
KIAMBU, KAJIADO AND NAKURU**

As you are aware, there was put in the place a cessation of movement in and out of the above counties for purposes of managing the Covid 19 pandemic.

However, as the Kenya Certificate of Secondary Education (KCSE) comes to an end the candidates will need to travel to and out of the area under lockdown.

You are required to work with County Commissioners and Principals of Secondary Schools to ensure that the candidates are facilitated to travel. Schools should: -

- i. Organize with transport companies to have the students picked from Schools.
- ii. Ensure those travelling are in school uniform and have letters of introduction from the school.
- iii. Communicate to the parents of the students on the transport arrangements made.

Kindly bring this to the attention of all public and private secondary schools offering KCSE Exams.

Julius O. Jwan, PhD, MBS
PRINCIPAL SECRETARY
