RE-OPENING OF ALL BASIC EDUCATION INSTITUTIONS

On 1st August 2022, I ordered the early closure of all Basic Education Institutions to allow for adequate preparation and conduct of the General Elections. We indicated that reopening would be on the 11th of August 2022.

We have however been informed that the process of tallying of ballots may still be ongoing on the aforementioned date. Therefore, following further consultations, I hereby convey the Government's decision that Basic Education Institutions will **re-open from Monday, 15th August, 2022.**

We apologize for any inconvenience occasioned by these changes and ask for your indulgence, as we work through ensuring the safety and comfort of learners through this period.

This communication supersedes any earlier communication on the re-opening of basic education institutions.
